

**Get involved** its important for our community. We have a Committee working on this problem. The Seniors Working Together Oak Run Committee is task with finding resolution and communications between Marion County Utilities, County Commissioners office and the Department of Environmental Protection.

**Residents:** When you are out and about and smell sewage anywhere in Oak Run please report Sewage Odor & Noise disturbance. It take less than a minute to make a difference.

1. When you detect a sewage odor anywhere within Oak Run-please call **352-783-2185**.  
*Recommend save this number to your contacts in your cell phone for easy access anywhere, any time.*

1<sup>st</sup> leave your first and last name, speak slowly and loud and spell your last name.

2<sup>nd</sup> leave your email or phone number just in case we have to clarify information

3<sup>rd</sup> leave the date, time and location of the odor/noise disturbance, please give cross roads if possible.

4<sup>th</sup> be very descriptive when you are identifying the smell, avoid using the word odor as it is vague. Example: describe the smell as sewage rotten egg smell, putrid etc...
